## ABOUT BEHIND THIS LOOK BOOK

We are delighted to have been chosen by Marriott International to dress the European workforce of the Le Meridien hotel brand.

This partnership highlights our commitment to provide a stylish, authentic, and progressive uniform collection for your international brand, while ensuring an excellent price/quality ratio.

Over the next 3+ years the staff at Le Meridien hotels across Europe will all be dressed in our sophisticated styles. We have tailored the perfect wardrobe to match the hotels' one-of-a-kind hospitality experience of first-class service and total commitment to the well-being of both guests and staff.

The basis of the collection is our core range of timeless and contemporary products. Combining these with items in brand-specific materials, colours and detailing, creates an ideal everyday uniform that effectively communicates the hotels' brand identity.

## ABOUT US

We dress your brand! PERSU. is an Amsterdam-based design firm and clothing manufacturer with a modern approach. Our atelier-style way of working is truly unique and our collections are the result of close collaboration between our designers and you – our client. This way we are able to supply durable corporate uniform collections which greatly enhance your company's brand identity. At the heart of our design process is a drive to ensure employee satisfaction, where comfort and functionality are key.

Please visit our online order tool to take a closer look at the collection, article information, to place an order or just to make a summary of the desired looks.
